OUR CLEANING

The Cleaning Options

We are delighted to have you on board and would like to take this opportunity to provide you with some valuable information about the differences between regular cleaning, deep cleaning, and end-of-tenancy cleaning.

Regular Cleaning

When you opt for our regular cleaning services, you are choosing to maintain a consistent level of cleanliness in your home.

This type of cleaning is typically scheduled on a weekly, bi-weekly, or monthly basis, depending on your specific needs.

Regular cleaning is designed to tackle common cleaning tasks, ensuring that your home stays in good condition.

Included in Regular Cleaning:

- Floors are swept, cleaned, and mopped
- Carpets and rugs are vacuumed
- Surfaces (including fixtures and appliances) are wiped for dust
- Mirrors wiped down
- Bathroom and kitchen areas are thoroughly cleaned and disinfected
- Doors and window frames are cleaned
- Vents dusted
- Trash is taken out
- Beds are made
- Cobwebs removed

Regular cleaning is cost-effective compared to deep cleaning, as it focuses on maintenance rather than an extensive overhaul.

Deep Cleaning

Deep cleaning goes beyond the regular tasks and involves a meticulous approach to cleaning your home. It is a more detailed and comprehensive service that addresses hard-to-reach and often neglected areas. Deep cleaning is recommended for first-time customers, ensuring a thorough cleaning of your space before transitioning to a regular cleaning schedule.

Included in Deep Cleaning:

- Hand-wiping of areas that are often neglected or hard-to-reach.
- Complete rubdown of surfaces inside your home.
- Enhanced sanitation and attention to detail
- Comprehensive cleaning to improve overall liveability

Deep cleaning takes more time and is priced higher than regular cleaning due to its thorough nature.

It provides a fresh start for your living space and sets the foundation for ongoing maintenance through regular cleaning.

End Of Tenancy Cleaning

Our end-of-tenancy cleaning service is designed to meet the specific needs of tenants moving out or landlords preparing a property for new occupants. This service ensures that the property is left in pristine condition, meeting or exceeding the expectations of landlords and property managers.
