Commercial Cleaning Starter Pack

About Us

Welcome to Maya Crystal Cleans & Repairs, a reliable and fully insured cleaning company with over five years of professional experience. Our team has built a strong reputation for delivering consistent, high-quality results in both residential and commercial environments.

As we expand our commercial division, we proudly offer tailored cleaning solutions to a wide range of business clients, including:

- Offices & Co-Working Spaces
- Building Blocks & Communal Areas
- Salons & Barber Shops
- Gyms, Fitness Studios & Wellness Centres
- Shops, cafés & retail units

We understand that every business operates differently, which is why we offer flexible scheduling, customised cleaning plans, and reliable communication to ensure minimal disruption during opening hours.

Commercial Cleaning

Office Premises

Salon & Barbers

Shop / Retail

Gym / Fitness
Studio

Building Blocks

Included in All Services

All of our commercial cleaning services include cleaning materials and equipment (unless you prefer to provide your own), and are carried out by fully insured and trained professionals. We offer flexible scheduling to suit your business needs, whether early morning, daytime, or evening. Each clean is tailored with custom task lists specific to your premises, and we perform regular quality checks to ensure consistently high standards.
